Sun Fire™ 6800/4810/4800/3800 Systems Documentation Notes

This box includes your Sun Fire system binder hardware documentation set and a CD-ROM with additional documentation.

Although the Sun Fire system firmware documentation is not in the binder, files for the manuals are on the documentation CD-ROM that is included in this box: part number 704-7614-16 *or* 704-7615-16.

Sun Fire 6800/4810/4800/3800 systems firmware documentation includes:

816-4851-10 — *Sun Fire 6800/4810/4800/3800 Systems Platform Administration Manual*
816-4852-10 — *Sun Fire 6800/4810/4800/3800 System Controller Command Reference Manual*

You can find online versions of the latest release notes (816-4853-10 — *Sun Fire 6800/4810/4800/3800 Systems 5.14.0 Release Notes*), software and administration documents, and most current documentation at the following web sites:

- Current Sun Fire firmware release on SunSolve ™
  (`http://sunsolve.Sun.com`)
- Sun documentation
  (`http://www.sun.com/documentation`)
