

A D A M A N D E V E

In the Garden of Eden everyone knows,
 Adam and Eve wore no clothes.
In the Garden of Eden there were two leaves,
 One covered Adam and one covered Eve.
As the story goes needless to say,
 Along came a wind and blew them away.
And at this sight Adam did stare,
 For Eve's treasure was covered with hair.
Eve stared eagerly with bright brown eyes,
 For Adam's dick began to rise.
Adam got to Eve, and to his surprise,
 Eve's legs were spread from thigh to thigh.
Thrills and thrills filled Adam's soul,
 As he put his dick into Eves Hole.
Backward and forward his dick went in,
 Until Eve's hole was wet within.
Eve didn't scream, but with fright,
 For Adam was doing everything right.
After awhile Eve let loose,
 For Adam's dick was out of juice.
And so through the ages, people did screw,
 And now it's time for me and you.
So pull down your pants and lay in the grass,
 Because I'm in the mood for a piece of your ass...
